Name: _____ Class: _____ Date: _____

LOWER SECONDARY

1. Put these in order: excavations begin (2005), fourth–sixth-century structures, permanent protection (2016).

2. Write one observation and one interpretation. Which source could help check your interpretation?

3. How might the hill have influenced the fortress setting? Give one reason and one open question.

Observe from permitted areas. Do not take stones, plants or fragments. Follow your teacher's instructions.
