UPPER SECONDARY

1. Compare the KKTK description (H03) with Çetinkaya's monastic thesis (H04). What is evidence and what is interpretation?

2. Prepare three interview questions about local memory. Note how you would obtain consent and check the account.

3. Write a museum label of about 80 words about one structure. Include a source and a limitation of the evidence.

Observe from permitted areas. Do not take stones, plants or fragments. Follow your teacher's instructions.
